

New Distribution Agreement

November 15, 2007 - Effective immediately Exact Furniture Limited is very pleased to announce that it has formed a strategic partnership with Middle Atlantic Products (Canada) Inc. of Ottawa, Ontario to be the exclusive distributor of Exact Furniture's products in Canada. The combination of Middle Atlantic Canada's extensive product line and nationwide dealer network with Exact Furniture's broad line of Audio Visual Furniture will provide a convenient and competitive solution for Canadian dealers servicing the Audio Visual, Education, Custom Home and Security markets.

About Exact Furniture Limited

Exact Furniture is proud of its reputation for quality, service and competitive prices. The owners of Exact, Jim Fulton and Kevin O'Brien, are both graduates of the Ivey Business School at the University of Western Ontario and bring over 50 years of combined business experience, 16 of which have been directly involved with manufacturing furniture for the A/V, corporate and educational markets. Jim and Kevin are committed to the continued growth of Exact Furniture and the company has recently moved into a larger facility so that they can continue to provide the level of service and quality their customers have come to expect as the company expands into new markets.

About Middle Atlantic Products (Canada) Inc.

Middle Atlantic Canada was established in January 1999 to serve the Canadian rack and enclosure industry. Middle Atlantic is a world-leading manufacturer of state-of-the-art steel enclosure systems for a wide range of applications, including the structured cabling/premise wiring/security/broadcast/commercial audio video installation and post production markets. Middle Atlantic Canada will be carrying finished goods inventory at its main warehouse in Ottawa as well as an expanded warehouse facility in Burnaby, B.C. opening in December 2007.
